To

The Director of Development and Extension, Madras.

Project Executive Officer, Kanhangad, South Kanara, Madras State.

Sir,

Subject: Community Projects--Construction of hospitals, schools etc.--Maintenance--Instructions--Regarding.

Ref: 1. G.O.Ms.No.1341/Rub. Dev. Dept. 2/8-6-1955.

In the above cited, it has been ordered that buildings for new schools, hospitals etc. should not be constructed in Community Project or National Extension Service areas unless a local body or private individual or institution is prepared to meet the recurring expenditure involved in their maintenance. In this project, new school buildings are put up only after the District Board agrees to open new schools and maintain them. But the Primary Health Centres at Kaur Bajpe and Mebri were started in rent free buildings and are being maintained from Community Project funds. New buildings have since been constructed and the centres are functioning in these buildings. The previous consent of the District Board was not obtained before putting up the new buildings. I request to be informed whether the 2 Primary Health Centres have to be handed over to the District Board and if so from what date. Originally, provision was made to start these institutions for the 5 years of the Project period. But the period has been extended by one year i.e. upto 31-3-1956, I request that the expenditure for ---- may be met from Community Project funds. I may be informed whether it is in order, as the necessary provision from the revised estimate which is under preparation.

There are 6 Poly. Dispensaries with Mid-wives and Sanitary attached and 6 Ayurvedic Dispensaries in this Project area. It is requested that these may be taken over by the State Govt. after the Project period.

Yours faithfully,

ASSISTANT SECRETARY TO GOVERNMENT (RURAL DEVELOPMENT PROJECTS), PUBLIC DEPT. 23 JUN 1955 4502
